** (A/B) We will play a 12-15 minute B game. B Games will be subject to change based on number of players on each team and gym availability at scheduled location.

**Number of gyms is subject to change and may alter the start time for each grade. At Fountain Lake we will play boys in one gym and girls in another, and flip flop who plays in the main gym. Some opposing schools may do it the same way or put 3/4 grade in one gym and 5/6 grade in another gym. If we are only playing in one gym the order of games will be youngest girls game, followed by youngest boys game and work its way up.
